ARENA

TWO MILLION PEOPLE ON HAMILTON'S DOORSTEP

- Half of New Zealand's population (around 2 million people) live within 1½ hours drive from Hamilton.
- The significant North Island population centres of Auckland, Tauranga, Rotorua and Taupo are all close by.
- The region attracts the third largest amount of overnight visitors out of all New Zealand regions, due to its proximity to Auckland, and its central North Island location.
- Hamilton's International Airport offers a wide range of domestic and International flights
- Hamilton has a range of accommodation with a centralised booking system

HAMILTON NIGHTLIFE

In association with its amazing events Hamilton has developed a number of very successful entertainment and hospitality precincts

- Hamilton's compact entertainment zone gives it a fabulous 'one city' feel
- Hamilton has the highest hospitality per capita ration of anywhere in New Zealand
- 200 cafes, restaurants and bars will leave you spoilt for choice
- Close proximity to central city and accommodation precincts
- A cosmopolitan mix of boutiques, high end fashion stores and large shopping centres
- Theatres, cinemas and 24 hour casino

The sound of things to come

CLAUDELANDS ARENA

With a growing number of international events coming to Hamilton NZ, our profile has grown significantly. So too has the need to provide world-class facilities to host many of these events and conferences.

Claudlands is currently undergoing a major reconstruction. On completion, the architecturally designed facility will be New Zealand's newest indoor venue, with a 5,000 seated capacity Arena capable of hosting major international musical and live performance acts as well as conferences and exhibitions.

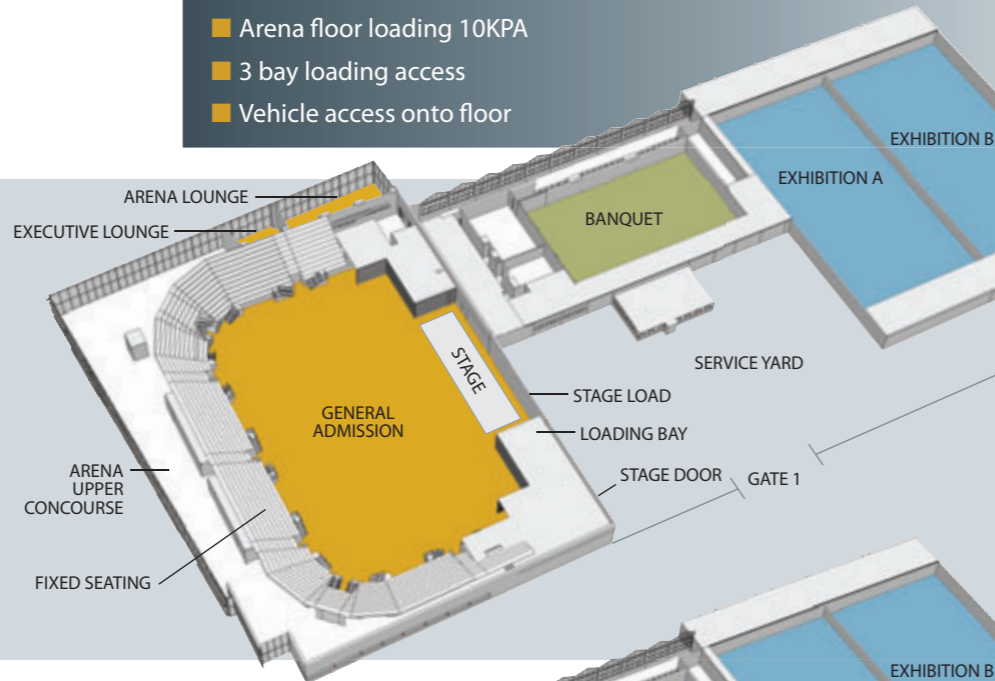

- Unique C-shaped design
- Close proximity from stage to premium seating
- 15m to grid
- Grid with catwalk access
- Full divisional and reduction curtaining
- Concrete floor
- Arena floor loading 10KPA
- 3 bay loading access
- Vehicle access onto floor
